

Further Education Golden Hello Shortage Subjects (2008/09 Version 1)

The list of designated eligible shortage subjects from 1st March 2009 are as follows:

- Maths
- Science
- Construction
- Information and Communications Technology
- English, Media Studies and Performing Arts
- Design and Technology
- Engineering
- Skills for Life (Numeracy, Literacy, ESOL only)
- Health, Social Care and Public Services

Eligible shortage subject subcategories:-

Maths

Maths (general)	Applied Maths
Pure Maths	Statistics
Maths and Mechanics	Maths and Statistics

Science*

Applied Science	Biology
Chemistry	Ecology
Conservation	Human Biology
Physics	Electronics
Geology	Earth Science
Science (general)	Sports Science
Environmental Science/Environmental Studies	

* **NB:** Animal Science/Management, Agricultural Science, Equine Studies, Marine Science and Social Science are not eligible shortage subjects for a FE Golden Hello.

Construction

Under trades and crafts:

Air conditioning engineering	Brickwork / Bricklaying
Carpentry and Joinery	Curtain wall fixing
Domestic and industrial installation	Electrical installation
Felt Roofing	Floor and carpet-laying
Floor tiling	Furniture making and installation

Construction (continued)

Gas work/Gas Fitting
Heating & ventilation installation
Painting and Decorating
Plumbing
Roofing / Roof slate and tiling
Security installation
Steel erecting
Suspended ceiling fixing
Woodwork / Wood machining

Glazing and glazing systems
Mastic asphaltting
Plastering
Roof and wall cladding
Scaffolding
Shop fitting
Stonemasonry
Timber frame erection

Under building construction:

Architectural studies
Building surveying
Civil engineering
Construction Health & Safety
Management

Building and facilities management
Chartered surveying
Construction management
Quantity Surveying
Waste Management

Under highway construction:

Construction plant operatives
Quarrying Technicians
Excavation and reinstatement

Highway construction
Street works

Information and Communications Technology

Under Basic ICT:

Basic IT skills
Office services
Keyboard skills

Internet users
Word-processing

Under Advanced ICT:

Computer Aided Design (CAD)
Computer studies
Desk Top Publishing (DTP)
Microsoft Office engineers

Computer engineers
Computer users' programmes
IT operations technicians
Website design

English, Media Studies and Performing Arts

English Literature
Multi-media studies
Photography
Theatre Studies

English Language
Media Studies
Music Technology

Under Performing Arts:

Dance
Moving Images
Video Production
Film and TV Studies

Drama
Music
Performing Arts

Design and Technology

Graphic Design and Products
Fashion Design
Design and Technology
Textiles Technology

Craft
Food technology
Resistant Materials Technology
3D design

Engineering*

Auto electricians	Car maintenance
Design and development engineering	Electrical / electronics engineering
Electroplating	Engineering studies
Engineering Technicians	Mechanical engineering
Metal plate engineering and technicians	Production and process engineering
Motor Mechanics and auto engineers	Motor Sport (mechanisation)
Motor vehicle studies	Refrigeration engineering
Tool making and fitting	Tyre, exhaust and windscreen fitting
Vehicle and spray painting	Vehicle bodybuilding and repairing
Welding and fabrication	

***NB:** Agricultural Engineering, Marine Engineering, Sound Engineering and Aircraft/Aeronautical Engineering are NOT eligible shortage subjects for a FE Golden Hello.

Skills for Life

Literacy
ESOL

Numeracy

NB:-

- 1) Communication and Application of Number are no longer eligible subjects for a FE Golden Hello
- 2) English as a Foreign Language (EFL) is NOT an eligible shortage subject for a FE Golden Hello

Health, Social Care and Public Services

Childcare
Nursery Nursing
Health & Social Care

Early Years
Public Services
Social Care
